

Product Details

High precision CNC milling parts with aluminium material

Raw Material: Aluminum6061

Surface treatment: Color Anodized

Tolerance: +/-0.01~0.05mm

Production Information

Items name	High precision CNC milling parts with aluminium material
Material	1.Stainless Steel:AISI303, AISI304, AISI316F, 420,440,etc. 2.Aluminum: Al6061, Al6063, Al7075, Al6082,etc. 3.Brass:C36000, C37700, Hpb59-1, H62, C27200(CuZn37),etc. 4.Steel: carbon steel, alloy steel, etc. 5.Copper, Brass, Bronze 6. Plastic : PVC, POM, Nylon etc.
Process type	CNC turning, milling, drilling, grinding, etc.
Surface treatment	Sand blasting, polishing, Anodize, zinc/nickel/chrome/ plating, coating,

	etc.
Dimension	As customers' request
Tolerance	+/-0.01 mm could be customized
Applied Software	PRO/E, Auto CAD, Solid Works, IGS, UG, CAD/CAM/CAE
Packing detail	* Eco-friendly pp bag / EPE Foam /Carton boxes or wooden boxes * As customer's specific requirements
Trial sample time	7-days after confirmation
Delivery time	7-30 days after receive the pre-payments
Payment term	T/T, Western Union, MoneyGram, Paypal, L/C, etc.

Our Machine list:

Equipments	Cnc turning machines	JXID Ck-6416 5 sets GSK 980TDa 2 sets
	Cnc milling machines	JIRFINE V-6 2sets JIRFINE VMC-850L 2sets

		TAIKE TK-V65 8sets
	Tapping and drilling machines	2406B-1 3sets
	Vibration grinding machines	TWJ 987YU-9 2sets
	Ultrasonic cleaning machine	QINGT PXY-1 1sets

Payment term:

- Pay by T/T, paypal, Western Union, Credit Card, LC.
- Customers can choose payment ways which is convenient for you.

Our advantage

1. We have more than 10 years experience in **milling parts and turning parts** production.
2. Tolerance: According to **customer drawing**, up to 0.01mm
3. Customized size and spec /OEM available
4. Inspection: **100% check** upon agreed AQL

5. Highly skilled manufacturing process & Strict quality Control System.

Company information

Dongguan ***Weimi Hardware Technology*** Co. Ltd. is a professional CNC machining company located in Dongguan, Guangdong Province. We own a professional & experienced team with over 15 years' experience in machining expertise.

As an excellent OEM and ODM manufacturer, Weimi is committed to the highest level of product quality exceeding customers' expectations. We are always your trustworthy and reliable partner and supporter!
